HR Proactive's WHMIS training program is an easy tool to help you meet your obligation to train workers. This 20-minute general WHMIS video features a quiz to ensure workers understand details about hazardous materials. WHMIS education teaches workers about GHS pictograms, signal words, hazards, labels and SDSs, along with their rights and responsibilities. These topics are included in this self-contained, informative training program.

With our WHMIS GHS video program you receive:

- 30-minute video
- Substantial Leader Guide (Word format)
- Reproducible Participant Guide (Word format)
- Professional PowerPoint Presentation
- WHMIS poster
- Sample Safety Data Sheets (SDSs)
- Quiz and quiz key
- Reproducible Certification of Completion
- Wallet certificates
- Scheduling sheet to track your learners

This video program is available to upload to your LMS or can be hosted on HR Proactive's Platform.
